<p align="center">ShopDocs™ PDF Version</p> <p align="center">DNC File and Document Management Application</p> <p align="center">A Full Featured, Database-Driven, Document Management Application</p> <p align="center">Part of an Integrated Family of ShopFloorManager™ EventAware™ Modules</p> <p align="center">Supports Windows 8™, Windows 7™ & Windows™ XP including Support for Terminal Server 2003/2008/2008R2</p>	
<p>ShopDocs™ is part of ShopFloorManager's Enterprise Management System's Suite of Secure Integrated Manufacturing Applications built upon CAD/CAM Integrators' Standard and Optional Modules. These Modules are founded upon EventAware™ Technologies keeping Manufacturing Users and Applications in Sync.</p> <p>ShopDocs™ keeps Users and Applications in Sync by continuously "Listening" & "Responding" to Customer Settable Events. These Customer Based Critical Events trigger the Capturing, Recording and Analyzing of all of your Document Changes in Real-Time so Users can make informed decisions using Real-Time & Accurate Data.</p> <p>You can Manage and Analyze these Changes using a Host of ShopDocs Tools or using ShopFloorManager™ ThePartyTools™ which allows a Customer to connect to their Third-Party Applications. You can be anywhere in the World and access ShopDocs™ using your Smart Phone, Tablet or Laptop since ShopFloorManager supports Cloud!</p>	
<p>ShopDocs™ Part of a Suite of Fully Managed Integrated Application with International Language Support</p>  <p><i>To You Know About Your Documents, Don't Scatter over the Shop, Engineering, the Office? Overlook the Way you Work? ShopFloorManager Can Operate, Review, Record Histories & Display All Your Documents!</i></p>	
<p>Standard</p> <p>Provide your Company with Secure User Logins:</p> <ul style="list-style-type: none"> Administrators Create User Names Administrators Create User Passwords Administrators Create User Group/Logical/Timebased Administrators Select User Group Categories and Configure Category Rights Administrators Create any number of Users Administrators Create User Groups with Rights that Control User's Access Administrators Control User ID Rights 	
<p>ShopDocs™ User Login Security</p>	<p>ShopDocs™ Basics Include:</p> <ul style="list-style-type: none"> Create & Manage any number of Users & User Groups Administrators Office Personnel Supervisors Engineers Wires Organize and Manage all of your Documents Active, Review & Print all of your Documents Active, Review & Print all of your Histories Organize and Manage all of your Packages Group File Cabinets, Users, Documents & Packages Logically Drag & Drop in your DNC Files, Documents & Packages into "Virtual File Cabinet" Use Sign-Off and Approval for all of your Packages/Options available Use ShopReports™ for Complete Configuration Reports/Options available Use ShopReports™ for General Reports/Options available Use ShopReports™ for Machine Events, Histories, etc. (Options available) Use ShopPlus™ to better help Manage your Projects & Tools Optional Import ShopDocs™ via Complete Manufacturing Management System Use ShopFloorManager™ for Visualization & Managing World Wide
